BUS DISCIPLINE

F2

Maintaining student control on the bus is a primary responsibility of the driver. Unmanageable behavior will be reported to the Building Administrator. Parents will be notified at the discretion of the Building Administrator.

In the event a student is denied transportation privileges for a period of time, parents will be given notice by letter as well as by direct verbal contact when possible. A driver may remove a student from the bus when that student's behavior represents a serious immediate threat to the health and safety of fellow passengers and/or the driver, and when removal of the student will not endanger the student's health or safety.
